EXPERIENCE

Reskill Americans   Mar 2021 – Oct 2021
UI/UX Designer
- Conceptualized and designed a clothes donation charity app; heavily involved in the end-to-end process which included user research, designing screens, prototyping, and usability testing.
- Crafted responsive user experiences with a mobile-first mentality while still establishing consistent web/desktop interaction patterns.
- Worked in tandem with developers, project managers and the overall UX team to design creative and intuitive design solutions.
- Contributed to the creation, organization, and distribution of project style guides and pattern libraries.

Sayreville Public Schools, Sayreville, NJ   Sep 2006 – Present
New Brunswick Public Schools, New Brunswick, NJ   Sep 2004 – Jun 2006
Teacher
- Produce engaging quality written and audio/visual resources to diverse audiences with varying degrees of familiarity with the subject matter.
- Present complex information in a clear, concise, and accessible manner ensuring that goals are communicated clearly to all participants.
- Provide constructive oral and written feedback to improve performance in a timely fashion
- Evaluate one's own performance and respond to constructive criticism based on feedback from peers and supervisors to improve performance all within the context of shifting parameters.
- Conduct performance gap analysis to assess current state and prioritize performance issues based on organizational goals.
